Effective date of the policy	September 2016

Introduction

This policy applies to the Queen Ethelburga's Collegiate - Queen's Kindergarten, Chapter House Preparatory School, King's Magna Middle School, Queen Ethelburga's College and The Faculty of Queen Ethelburga's - hereafter referred to as "the Collegiate".

Policy aims

The aims of this policy are:

- To enable the Principal to carry out his responsibilities of maintaining order and good discipline in the Collegiate;
- To promote good behaviour and support positive behaviour modification;
- To ensure, so far as possible, that every student in the Collegiate is able to benefit from and make full contribution to the life of the Collegiate, consistent always with the needs of the Collegiate community;
- To authorise the Collegiate rules and any procedures necessary for implementing them.

Collegiate rules for behaviour and discipline

The Collegiate rules and policies for behaviour and discipline shall be set by the Principal. The Collegiate rules and policies for behaviour and discipline are necessary:

- for the health, safety, welfare and well-being of everyone at the Collegiate;
- for the reputation of the Collegiate community as a whole;
- for the protection of Collegiate property and the wider environment.

The Collegiate rules apply to all age groups and at all times when the student is:

- at the Collegiate, representing the Collegiate or wearing Collegiate uniform
- travelling to and from the Collegiate
- associated with the Collegiate at any time.

Students are expected to know and understand the Collegiate rules and policies for behaviour and discipline which include:

- this policy, which dove-tails with the anti-bullying policy
- the E-Safety Policy and Student Acceptable Use Policy
- the Anti-bullying Policy
- the Smoking, Alcohol, Drugs and Substances Policy.

The Collegiate rules and policies for behaviour and discipline will be amended from time to time and reinforced in assemblies and on other appropriate occasions.

1 Scope

The Collegiate Board and the Principal intend that the Collegiate rules and policies for behaviour and discipline and the rewards and sanctions provided in them shall also, in appropriate circumstances, be capable of regulating the conduct of students when they are away from Collegiate premises and outside the jurisdiction of the Collegiate, for example during leave-out weekends, half term and in the holidays.

This will normally be where the conduct in question could have repercussions for the orderly running of the Collegiate, affects the welfare of a member or members of the Collegiate community or a member of the public, or which brings the Collegiate into disrepute.

2 Rewarding good behaviour

Loyalty to the Collegiate and the students' commitment to reaching their full potential will be achieved by encouraging and celebrating positive behaviour. Whilst sanctions are required for students to understand that choices have consequences, our primary focus is to motivate students to **LEARN**, (listen, engage, attend, respect and never stop trying), and for students to be a good BOARDER (belief, organisation, appearance, responsibility, decorum, engage, respect). When students aspire to these challenges they earn Vivos.

The Collegiate firmly believes that student behaviour is best modified through, not only the use of sanction and intervention, but also through the use of reward and celebration. Reward incentives are offered on both an individual and whole-school basis, to encourage good behaviour and support for one another, enabling students to THRIVE@QE. This is recognised through the use of assemblies, reward weeks and the awarding of Vivos. Other forms of praise and rewarding good behaviour include:

- Tree of Achievement and Special Mention certificates in Chapter House.
- Verbal praise
- Certificates at assessment and examination periods, to recognise achievement and progress
- Colours for participation in Sport and Drama
- Written praise in the planner to the parent / houseparent / form tutor
- Displays of good work
- Good news telephone calls/letters or emails home
- Achievement Boards
- Recognition for 'clean sheets' in terms of behaviour
- Recognition of consistent and improved readiness to **LEARN**
- Being a good BOARDER
- Recognition of the highest individual Vivo Score
- Speech Day

Further detail about the ways in which the Collegiate may reward good behaviour are set out in [Appendix 1](#).

The Collegiate recognises that where challenging behaviour is related to a student's disability, use of positive discipline and reward methods may enable the Collegiate to manage the student's behaviour more effectively and improve their educational outcomes.

3 Encouraging our students to THRIVE@QE

The Collegiate believes that student behaviour should be modified and supported and that sanctioning alone is not dealing with the core root of a behavioural concern or behaviour change. As such, the Collegiate has a system in place to enable and encourage all students, and staff, to THRIVE@QE. THRIVE@QE supports students with a range of issues to support mental health and wellbeing and develop resilience. Students can access THRIVE@QE to help modify behaviour and build confidence and esteem in a safe and secure environment, giving the students to tools to correct behavioural patterns and support their community.

More information about THRIVE@QE can be found in [Appendix 2](#).

4 Intervention

There are many different intervention systems in place which monitor and analyse all aspects of the student's life during both the academic day and boarding time. These systems provide an overview and allow students, who may require a range of support, to be identified and the appropriate intervention put into place. Different needs which are identified may include:

- Social and emotional support
- Behavioural intervention
- Academic intervention
- Organisational support
- Learning Development support
- Welfare plans
- Child Protection concerns (These are confidential and are passed to a safeguarding officer).

All of the above can have a negative effect on a student's school career and the early identification of potential issues is the responsibility of all staff to ensure that the relevant early help and intervention can be provided if and when required.

More information can be found in the **Intervention Policy**.

5 Transition

Managing student's transition – During the transitional phases there is the passing on of information and strategies to ensure a smooth transition. The collegiate supports students in behaving appropriately in their new setting/class using consistent systems, expectations and rewards. Students are regularly monitored and intervention put in place to enable students to THRIVE@QE.

6 Breaches of School discipline

The Principal may prescribe and authorise the use of any sanctions as comply with good education practice and promote good behaviour and compliance with the collegiate rules. Examples of sanctions used at the Collegiate are set out in **Appendix 3**. A more serious sanction may be imposed if it considers it appropriate to do so, e.g. where there are persistent breaches of discipline by a Student.

When considering the appropriate sanction, the risks posed to student welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, sanctions applied or inaction may affect that individual's welfare and, where appropriate, how it may affect other students' welfare and/or the Collegiate community as a whole.

Minor breaches of discipline are dealt with by staff as they occur and low level sanctions may be given. A verbal warning will often be sufficient. More serious breaches of Collegiate rules should be referred to the Head of Pastoral Care. The Head of Pastoral Care must also be consulted in cases of breaches of discipline where there may be special circumstances which should be taken into consideration (see also paragraph 0 below).

Serious breaches of discipline

For serious breaches of discipline, the student may be asked to leave the Collegiate permanently. All serious disciplinary matters must be reported to the Principal. Please see the School's separate Expulsion, Removal and Review Policy.

Removal: The Principal may require the Removal of a student from the Collegiate if, after consultation with the parents and if appropriate the student, the Principal is of the opinion that:

- by reason of the student's conduct or progress, the student is unwilling or unable to benefit sufficiently from the educational opportunities offered by the Collegiate; or

- a parent has treated the Collegiate, members of its staff or any member of the Collegiate community unreasonably.
- In these circumstances, the parents may be permitted to withdraw the student as an alternative to Removal being required.

Expulsion: A student is liable to Expulsion for a grave breach of Collegiate discipline or a serious criminal offence. Expulsion is reserved for the most serious breaches.

The Principal is required to act fairly and in accordance with the principles of natural justice. Please see the Collegiate's separate Expulsion, Removal and Review Policy.

Suspension: For serious breaches of discipline, a student may be released home for a limited period pending the outcome of an investigation or a Collegiate Board's Review.

The Collegiate seeks to work in partnership with parents over matters of discipline, and it is part of parents' obligations to the Collegiate to support the Collegiate rules. Parents will be contacted to discuss any disciplinary matter which may result in suspension, or where Removal or Expulsion is being considered. Parents will also be notified of any other disciplinary sanction and may be contacted to discuss the matter if it is considered appropriate to do so.

The Collegiate **will pay due regard to the Equality Act 2010**, and it will make reasonable adjustments for managing behaviour which is related to a student's special educational need or disability. Staff should seek advice from the Head of Pastoral Care if they are unsure about how to manage a student's behaviour where this is related to a special educational need or disability. Where Expulsion needs to be considered, the Collegiate will ensure that a student with a disability or special educational needs is able to present their case fully where their disability or special educational needs might hinder this. Any religious requirements affecting the student will also be considered.

7 Malicious allegations against staff (See detail in the Child Protection Policy)

Where a student makes an accusation against a member of staff and there is reasonable suspicion that the accusation has been deliberately invented or malicious, the Principal will consider whether to take disciplinary action in accordance with this policy.

Where a parent has made a deliberately invented or malicious allegation the Principal will consider whether to require that parent to remove their child or children from the Collegiate on the basis that they have treated the Collegiate or a member of staff unreasonably and compromised the requirement for mutual trust and confidence.

In accordance with the DfE's guidance Keeping Children Safe in Education (Sept 2016), the Collegiate will consider a malicious allegation to be one where there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive.

8 Use of reasonable force

Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used in accordance with the DfE guidance Use of Reasonable Force (July 2013) and as set out in [Appendix 4](#). More detailed guidance about the use of reasonable force is provided to staff in the Code of Conduct. In the EYFS, where it is necessary to use restraint, this will be recorded and reported to parents within 24 hours, Corporal punishment is not threatened or used at the Collegiate and force is never used as a form of punishment.

9 Searching students

Informed consent: Collegiate staff may search a student or their possessions or accommodation with their consent for any item. If a member of staff suspects that a student has a banned item in their possession, they can instruct the student to turn out their pockets or bag. If the student refuses, sanctions will be applied in accordance with this policy.

Searches without consent: In relation to prohibited items, the Principal, and staff authorised by the Principal, may search a student or a student's possessions, without their consent, where they have reasonable grounds for suspecting that a student has a prohibited item in their possession. Please see [Appendix 5](#) for the Collegiate's policy on searching and confiscation. Such action will be taken in accordance with the DfE guidance Searching Screening and Confiscation (February 2014).

10 Records

Administration of major punishments are recorded, with the name of the student concerned, the reason for the punishment including relevant dates, and the name of the person administering the punishment. This log is reviewed regularly by the Head of Pastoral Care so that patterns in behaviour can be identified and managed appropriately.

11 Review

A student or their parents may request a Collegiate Board's Review of the Principal's decision to Expel or Remove a student from the Collegiate, or where the student is suspended from the Collegiate for 11 school days or more or where a suspension would result in the student missing a public examination. See the Collegiate's separate Expulsion, Removal and Review Policy.

There will be no right to a Review of other sanctions but a student who feels aggrieved may ask the Head of Pastoral Care to take up his or her concerns with the member of staff who imposed the sanction.

Revised September 2016

Queen's Kindergarten

In EYFS, we aim to set boundaries in a way that helps the child develop a sense of the effect of their own behaviour, both on their own environment and on those around them. Restrictions on the child's desire to explore and develop their own ideas and concepts are kept to a minimum. Good behaviour is praised and reinforced regularly.

Chapter House Preparatory School

Vivos and stickers are given to reward positive behaviour. Children can be mentioned in the "Tree of Achievement" assembly, to choose a space for their leaf and receive a certificate. This is awarded if they have tried especially hard with any aspect of their work.

Children are encouraged to nominate their peers for 'Special Mention', which is awarded in Chapel each week. This is awarded to those children who have helped or cared for someone during the week. Staff can also nominate children for special mention, particularly if a child has made an extra effort to make the right choice with their behaviour.

Responsible behaviour is rewarded in Year 5 by students earning a 'Prefect' badge and status through showing a good example to younger students and also caring and responsible attitude towards others at School. Prefects have a higher status which is shown by the sitting on chairs in assembly and given privileges such sitting with younger children at break and supporting them in the playground. In return they have responsibility for continued duties such as trustworthy errands and collecting snacks at break.

King's Magna Middle School, Queen Ethelburga's College and The Faculty of Queen Ethelburga's

Loyalty to the Collegiate and the students' commitment to reaching their full potential will be achieved by encouraging and celebrating positive behaviour. Whilst sanctions are required for students to understand that choices have consequences, our primary focus is to motivate students to **LEARN** and be a good **BOARDER** - when students aspire to these challenges they earn Vivos. Students can also earn Vivos by doing the following:

- 100% **LEARN**
- 95% **LEARN**
- 90% **LEARN**
- Academic Subject Commendation
- Academic Subject Prize
- Arts
- Assessment targets met
- Being well mannered and helpful
- Boarder of the week
- Business **VIVO** award for outstanding departmental contribution
- CCF Service
- Consistent hard work
- Duke of Edinburgh Award (Bronze, Silver & Gold)
- Excellent attainment in tests or examinations
- Excellent classwork and prep
- Extending the task beyond the minimum asked
- External or internal performance
- Good Teamwork
- Healthy Eating
- Improving literacy in their work
- **LEARN** stickers (5 or 10)
- Literacy Award
- Making a positive contribution to class discussion or debate
- Making a positive contribution to school life
- Match Officiating
- Most improved boarder or the week
- Open Day
- Outstanding presentation of work
- Persevering with a challenge
- Peer Mentor Award
- Prefect award
- Progress Point response
- School Council Award
- Service to form, year group, house wider community
- Sporting/Arts commitment or success
- Super Sevens
- Tidy room (weekly)

VIVO MILES

Vivo is an online rewards system which will be linked directly to House Points.

- Teachers award students Vivos (electronic points) or points vouchers.
- Students save and spend their Vivos on rewards. These can be selected from a range of in-school and catalogue rewards. In Chapter House the points do not have any monetary value. The students are awarded certificates and can choose a prize from the 'treasure chest' when they reach each level.
- Students can check their Vivo balance by logging on to their account through the vivomiles.com website. The online resource can be used to manage inter-form and house competitions.

In September 2016, we will be targeting uniform, punctuality, Super Sevens, student response to feedback, literacy and prep across all schools. We ask that staff award Vivos to students who are:

- on time
- wearing their uniform correctly
- presenting their work well (Super Sevens)
- improving literacy in their work (Literacy Code)
- responding well to feedback (Progress Points)
- displaying decorum
- ready to **LEARN** with their planner and necessary equipment in class and prep

Other forms of praise and recognition of achievement:

- Tree of Achievement and Special Mention certificates in Chapter House.
- Verbal praise
- Certificates at assessment and examination periods, to recognise achievement and progress
- Colours for participation in Sport and Drama
- Written praise in the planner to the parent / houseparent / form tutor
- Displays of good work
- Good news telephone calls/letters or emails home
- Achievement Boards
- Recognition for 'clean sheets' in terms of behaviour
- Recognition of consistent and improved readiness to **LEARN**
- Being a good BOARDER
- Recognition of the highest individual Vivo Score
- Speech Day

Vivos are awarded by all staff (boarding, academic and ancillary) and monitored by tutors, house staff and students once a week. Students can manage their Vivos online. Certificates of Achievement are presented for the following

Vivo Milestones:

Chapter House:

Certificate	Presented By	Presented In:
Levels 2 &3	Head of House/House prefect	House Assembly

Bronze and Silver	Senior Teacher/Head of School	Assembly
Gold	Head of School	Celebration Assembly

King's Magna and Queen Ethelburga's.

Vivos	Certificate	Presented By	Presented In:
Vivo 1	Bronze	Head of House/House prefect	House Assembly
Vivo 2	Silver	Head of Key Stage	Celebration Assembly
VivoGold	Gold	Head of School	Celebration Assembly

Appendix 2 THRIVE@QE

THRIVE@QE aims to promote and support positive mental health and resilience through offering workshops/activities/events during social time/clinics. It is coordinated and run from the Student Welfare Centre to support all students within the Collegiate. It uses the dedicated area in Wimbledon which is a very positive place where all students are welcome and support is available.

Students can be referred by teachers, their school team, house parents, form tutors, Peer Mentors/Prefects or through self-referral. **THRIVE@QE** also builds on and supports issues raised in Personal Development. **THRIVE@QE** is about the intervention offered by all staff in the Collegiate to support students' mental health, wellbeing and happiness.

Posters and timetables are around school and the boarding houses to inform students of the types of things on offer which are translated to ensure everyone can access the support. The information is tailored for Chapter House, King's Magna and the Senior Schools to ensure the support offered is age appropriate and relevant to the challenges each Key Stage face.

THRIVE@QE is a very flexible system which offers initiatives such as peer mentoring, forces support, anger management, self-esteem, body image, resilience, dealing with stress, anti-bullying e-safety support and the cancer support group. As well as set sessions support is also offered to tackle current issues such as the appropriate use of social media, upcoming events and focus weeks and items in the news. Decorum, respect and manners are also supported to help students understand the impact of their actions and modify and support their behaviour.

International support.

International students can receive support to help them with any barriers caused by nationality, culture or language. This may help those who are, for example, seen alone during break times and struggling to integrate. Pastoral Prefects/Peer Mentors/Peer Leaders can help identify any students who may need support and encourage them to attend.

Boarding support.

THRIVE@QE is also extended during boarding time using the welfare area after school and at weekends to support the student's mental health and resilience across academic and boarding and allow students the opportunity to receive more directed, age appropriate support. Boarding staff support students with issues such as home sickness and integration.

Chapter House students are brought during form times on a rotational basis to participate in activities and become familiar with the welfare area and support transition. Students focus on resilience, structured play and social interaction. Senior school Peer Mentors, Peer Leaders and Buddies also assist with **THRIVE@CH**.

King's Magna students use the welfare area at breaks, lunch and afterschool/boarding time if they need some time out or specific support. KM buddies could be invited along to meet us, and take on a role of identifying friends/peers that they may think could use some support. Students are also supported with behaviour management and other strands of support.

For College and Faculty students, **THRIVE @ QE** encourages the use of welfare as a safe place for learning to cope with anxiety, exam stress, friendship troubles and help with other struggles which may impact on positive mental health, providing books/activities to help or just for them to relax in a similar way to King's Magna. There may also be the opportunity to use some clinic time where there is some available. Students are also supported with behaviour management and other strands of support.

Appendix 3 Sanctions

In addition to the particular sanctions set out in this Appendix, the Principal may prescribe and authorise the use of such other sanctions as comply with good education practice and tend to promote good behaviour and compliance with the Collegiate rules.

Queen's Kindergarten and Chapter House Foundation Stage

Sanctions will take into account the age and stage of development of the student and behavioural boundaries are set in a way that helps the student develop a sense of their own behaviour, both on their own environment and those around them.

Nominated staff, Heidi Lever and Louise Schofield (for Kindergarten and Foundation Stage respectively,) will ensure that the parents are fully informed about support and actions being taken to modify their children's behaviour. If necessary, an ABCC form will be used to monitor a student's behaviour and an individual learning plan for behaviour completed by the key person, in consultation with the student's parents. A record will be kept of any occasions where physical restraint has been used in EYFS and parents or carers will be informed as soon as reasonably practicable.

Chapter House Preparatory School

A lunch time detention will be completed by students who do not fulfil the expectations of **LEARN** specifically for:

- Reaching red on the traffic light system
- Inappropriate physical or verbal behaviour towards another student or adult.

Key Stage 1:

A student is placed on red during the day will miss the next break time and be supervised by the class teacher. If the behaviour warrants it, the student will be sent to the Head of Chapter House for 'time out'.

Key Stage 2 (excluding year 6):

This detention takes place daily from 12:40-13.00. **Detentions take priority over all other activities.** During detention students will reflect on their actions, using their planner, and with support from the staff member supervising the session, they will identify how to avoid detention in future.

A one-hour detention will be completed by students who do not fulfil the expectations of **LEARN**:

Specifically for:

- **3 written strikes in the planner in one week** (awarded by the teacher giving the third strike)
- **Defiance or rudeness to staff**
- **Inappropriate social behaviour**
- **3 missing planner strikes in one half term**
- **3 uniform offences in one half term**
- **3 phone confiscations in one half term**
- **3 late strikes on iSAMS in one half term**
- **Continued misbehaviour/lack of engagement despite a written warning**
- **Insufficient quality or quantity of class work related to ability**
- **Leaving a lesson without permission**
- **Department removal**

A two-hour detention will be completed by students who:

- **Miss form time or a lesson**
- **Swear in front of a member of staff**
- **Are caught out of bounds**
- **Miss a one-hour detention.**

Failure to complete a two-hour detention results in the students receiving a higher level sanction.

Isolated prep will be completed by students who:

- Receive three prep strikes on iSAMS in one half term.
- Have been removed from prep due to not being Ready to **LEARN**

This sanction requires the student to complete their prep in a supervised environment for one week, wearing full school uniform. Day students will receive a detention and the HOKS will contact home.

The one-hour detention takes place at lunch time and the two-hour from 16:00 to 18:00. **Detentions take priority over all other activities.** During detention students will reflect on their actions, using their planner, and with support from their tutor, HOY and/or a Pastoral Team member, they will identify how to avoid detention in future.

Issuing Detentions

Detentions will be recorded on iSAMS for any of the reasons above. Once recorded on iSAMS, the tutor will receive notification of the time and date of the detention, in order to inform the student. The student should record this in their planner.

Boarding Detentions

Verbal warnings are given to students with the emphasis on educating them to modify their behaviour. Following 3 verbal warnings students receive one boarding strike on iSAMS. For those who do not heed the warnings, and thus are not being a good BOARDER, they will receive a boarding detention.

A one-hour boarding detention will be completed by students who are not being a good BOARDER:

Specifically for:

- **3 boarding strikes on iSAMS in one half term**
- **Defiance or rudeness to staff**
- **Inappropriate social behaviour**
- **3 electronic devices strikes on iSAMS in one half term**
- **Missed breakfast**
- **3 failure to sign in/out on iSAMS in one half term**
- **3 late strikes on iSAMS in one half term**

A two-hour boarding detention will be completed by students who:

- **Swear in front of a member of staff**
- **Are caught out of bounds**
- **Miss a one-hour detention.**

Both the one-hour and two –hour Boarding Detentions take place on Saturday and Sunday mornings. The student is required to sit with a member of boarding staff. No electronic devices are allowed and they are to sit quietly and not interact with their peers.

Progression of sanctions

Detentions are monitored weekly by the Pastoral Team and an accumulation of detentions will lead to some/all of the following:

- Report
- Letter sent home to parents/guardians
- Personal Intervention Plan/Welfare plan
- Academic Green Gating – this is given to 6th form students who miss 3 lessons or students who repeatedly fail to attend detention
- Intervention including the following:
 - Pastoral Staff Intervention
 - School teams
 - Boarding teams
 - Learning Development
 - Peer mentors and buddies
 - Senior Teacher Intervention
 - THRIVE@QE

Higher Level Sanctions

Green Gatings / Social Isolation

Boarding: This gating involves a student being gated from 17:00 on Friday until 22:00 on Sunday, signing in hourly and remaining in uniform. Students will also be required to attend detention on Saturday and Sunday. A letter home is also sent to parents/guardians.

Academic green weekend gating: Where a student has missed three lessons, despite warnings and intervention from the Pastoral and relevant school team, an academic green gating will be awarded in line with the Attendance Policy. This academic gating involves a loss of social time at the weekend and the student is confined to the school grounds. This sanction will also include a letter home to parents/guardians, and failure to comply with the expectations of the gating may lead to a stronger sanction such as an academic amber gating. Please see below.

Academic: This social isolation involves students being isolated during their break and lunch times for a period of three days. During this time, the student is encouraged to reflect on their actions. Students are also required to complete a two-hour detention on all three days, running from 16:00 – 18:00. A letter home is also sent to parents/guardians.

Amber Gating / Social Isolation

Boarding: An amber gating involves the student being confined to campus from the Friday of the week the gating is issued for a period of 4 days. The student must stay in uniform at all times, sign in hourly and attend weekend detentions. A letter home is also sent to parents/guardians.

Academic: An amber social isolation involves students being isolated during their break and lunch times for a period of four days. During this time, the student is encouraged to reflect on their actions. Students are also required to complete a two hour detention on all four days which run from 16:00 – 18:00. A letter home is also sent to parents/guardians.

Red Gating / Social Isolation

Boarding: A red gating involves the student being confined to campus from the day on which the gating is issued until the start of school one week later. The students must stay in uniform, spend all free-time in their named house, sign in hourly and attend weekend detentions. Students will also attend meals with a member of staff.

Academic: A red social isolation involves students being isolated during their break and lunch times for a period of five days. During this time, the student is encouraged to reflect on their actions. Students are also required to complete a two-hour detention on all five days, running from 16:00 – 18:00. A letter home is also sent to parents/guardians.

Sports fixtures and other activities

Students who have received gatings are not able to participate in any sporting fixture or extracurricular activity/trip. Any exception is to be agreed by the Head of Pastoral Care, Deputy Head of Boarding/Assistant Head of Pastoral Care and Head of School.

Full isolation

A full academic isolation will be given to any student who causes 'significant disruption to the learning environment'. The decision for an isolation will be made by the Principal in discussion with the Head of Pastoral Care and Head of School. During this time the student will be required to work in full isolation in the pastoral behaviour management area and work will be collected for the students to compete. The student will have to hand over all electronic devices and will be in isolation until 6pm. A letter home will also be sent to the Parent/Guardian from the Head of Pastoral Care.

A full boarding isolation will be awarded by the Head of Boarding and/or the Deputy Head of Boarding/Assistant Head of Pastoral Care for any student who causes 'significant disruption to the boarding environment'. The student will spend their free time in the pastoral behaviour management area under full supervision and will be escorted to their evening meal. A letter will be sent to the Parent/Guardian from the Deputy Head of Boarding – Pastoral Care.

Full isolation may also be given to students who are awaiting a decision regarding a suspension or other higher level sanction from the Principal and/or members of the Collegiate Board. Students who are boarders may be isolated during both academic and boarding time dependant on the incident and possible outcome.

Suspension

Suspensions require the student to leave site for a period of day's dependant on the severity of the action. On the students return they, and the parent/guardian, sign a behaviour contract at a reintegration meeting with the Principal. Students will then be monitored for a period of two weeks to help ensure a smooth re-integration into school life.

Appendix 4 Use of reasonable force

- 1 Reasonable force may be used to prevent a student from doing or continuing to do any of the following:
 - 1.1 committing a criminal offence
 - 1.2 injuring themselves or others
 - 1.3 causing damage to property, including their own
 - 1.4 engaging in any behaviour prejudicial to good order and discipline at the Collegiate or among any of its students, whether that behaviour occurs in a classroom or elsewhere.
- 2 In these circumstances, force will be used for two main purposes: to control students or to restrain them. Reasonable force may be used, for example, to restrain a student at risk of harming themselves or another individual or to prevent a student leaving a classroom where allowing her to do so would risk her safety or lead to behaviour that disrupts the behaviour of others.
- 3 In addition, reasonable force may be used to conduct a search for certain "prohibited items" (see [Appendix 5](#) below).
- 4 In deciding whether reasonable force is required, the needs of individual students will be considered and reasonable adjustments will be made for students with special educational needs or disabilities.
- 5 Where reasonable force is used by a member of staff, the Head of Pastoral Care must be informed of the incident and it will be recorded in writing. The student's parents will be informed about serious incidents involving the use of force. In the EYFS setting, the student's parents will be informed about any use of force on the day of the incident or as soon as reasonably practicable.

Appendix 5 Searching and confiscation

All schools have a general power to impose reasonable and proportionate disciplinary measures (Education and Inspections Act 2006). This enables a member of staff to confiscate, retain or dispose of a student's property as a disciplinary penalty where it is reasonable to do so. The Collegiate's policy on searching and confiscation has regard to guidance published by the DfE, Searching, Screening and Confiscation (February 2014).

1 Prohibited items

1.1 The following are "prohibited items" under Section 550ZA(3) of the Education Act 1996 and Regulation 3 of the Schools (Specification and Disposal of Articles) Regulations 2012:

1.1.1 knives or weapons, alcohol, illegal drugs and stolen items

1.1.2 tobacco and cigarette papers, fireworks and pornographic images

1.1.3 any article that a member of staff reasonably suspects has been, or is likely to be used:

(a) to commit an offence or

(b) to cause personal injury to, or damage to the property of, any person (including the student) and

1.1.4 any item banned by the Collegiate Rules that are identified as being items which may be searched for.

1.2 The Collegiate has banned items that are reasonably believed to be likely to cause harm or disruption. Students must not have these items in their possession on Collegiate premises or at any time when they are in the lawful charge and control of the Collegiate (for example on an educational visit).

2 Searching with consent

2.1 Before any search is undertaken the student will usually be asked to consent. In seeking consent, the age and maturity of the student will be taken into account together with any special needs the student may have. Written consent will not usually be required.

2.2 The consent of the student must be obtained for searches for items that are not "prohibited items" as listed in section 1 above. The consent of the student must be sought even if not at the Collegiate at the time. If a member of staff suspects that a student has an item that is banned by the Collegiate they can instruct the student to turn out their pockets or bag.

2.3 If the student refuses to provide consent disciplinary action may be taken in accordance with this policy.

3 Searching for prohibited items

3.1 Where the Principal or an authorised member of staff has reasonable grounds to suspect that a student may have a prohibited item, consent is not required and the search will be carried out, using reasonable force if necessary (such force may not be used in searches for items included in 1.1.4 above).

3.2 Searches will be carried out only on Collegiate premises or, if elsewhere, where the member of staff has lawful control or charge of the student, for example on an educational visit or in training settings.

3.3 If it is believed that a student has a prohibited item, it may be appropriate for a member of staff to carry out:

3.3.1 a search of outer clothing and / or

3.3.2 a search of Collegiate property (e.g. students' lockers or desks, bed studies or dormitories) and / or

3.3.3 a search of personal property (e.g. bag or pencil case).

3.4 Searches will be conducted in such a manner as to minimise embarrassment or distress. Any search of a student or their possessions will be carried out in the presence of the student and another member of staff. Where a student is searched, the searcher and the second member of staff present will be the same gender as the student.

3.5 Where it is reasonably believed that serious harm may be caused if the search is not carried out immediately and it is not practicable to summon another member of staff, a member of staff may carry out a search of a student of the opposite sex and / or in the absence of a witness.

4.4 Where the Principal, or staff authorised by the Principal, find anything which they have reasonable grounds for suspecting is a prohibited item, they may seize, retain and dispose of that item in accordance with this policy.

4 Confiscation

4.1 Under the Collegiate's general power to discipline, a member of staff may confiscate, retain or dispose of a student's property as a disciplinary penalty where it is reasonable to do so.

4.2 Confiscation of an item may take place following a lawful search, as set out above, or however the item is found if the member of staff considers it to be harmful or detrimental to Collegiate discipline.

5 Searching electronic devices

5.1 An electronic device such as a mobile phone or a tablet computer may be confiscated in appropriate circumstances in accordance with this policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or break Collegiate Rules, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of a member of the IT staff and the DSL and/or DDSL.

5.2 Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or break Collegiate Rules.

5.3 If inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of Collegiate discipline or criminal offence or hand it over to the police if the material is of such seriousness that police involvement is required.

6 Disposal of confiscated items

6.1 **Alcohol:** alcohol which has been confiscated will be destroyed.

6.2 **Controlled drugs:** controlled drugs will usually be delivered to the police as soon as possible. In exceptional circumstances and at the discretion of the Principal or authorised member of staff, the drugs may be destroyed without the involvement of the police if there is good reason to do so. All relevant circumstances will be taken into account and staff will use professional judgement to determine whether the items can be safely disposed of. They will not be returned to the student.

6.3 **Other substances:** substances which are not believed to be illegal drugs but which are harmful or detrimental to good order and discipline (for example "legal highs") may be confiscated and destroyed. Where it is not clear whether or not the substance seized is an illegal drug, it will be treated as though it is illegal and disposed of as above.

- 6.4 **Stolen items:** stolen items will usually be delivered to the police as soon as possible. However, if, in the opinion of the Principal or authorised member of staff, there is good reason to do so, stolen items may be returned to the owner without the involvement of the police. This is likely to apply to items of low value, such as pencil cases.
- 6.5 **Tobacco or cigarette papers:** tobacco or cigarette papers will be destroyed. This also includes vaping.
- 6.6 **Fireworks:** fireworks will not be returned to the student. They will be disposed of safely at the discretion of the Principal or other authorised member of staff which may include donation to an appropriate charity.
- 6.7 **Pornographic images:** pornographic images involving children or images that constitute "extreme pornography" under section 63 of the Criminal Justice and Immigration Act 2008 will be handed to the police as soon as practicable. As possession of such images may indicate that the student has been abused, the Designated Safeguarding Lead will also be notified and will decide whether to make a referral to North Yorkshire children's social care.
- 6.8 Other pornographic images will also be discussed with the Designated Safeguarding Lead. The images may then be passed to children's social care for consideration of any further action. If no action is to be taken by the local authority the images will be erased after a note has been made for disciplinary purposes, confirming the nature of the material.
- 6.9 **Article used to commit an offence or to cause personal injury or damage to property:** such articles may, at the discretion of the Principal or authorised member of staff taking all the circumstances into account, be delivered to the police, returned to the owner, retained or disposed of.
- 6.10 **Weapons or items which are evidence of an offence:** such items will be passed to the police as soon as possible.
- 6.11 **An item banned under Collegiate Rules:** such items may, at the discretion of the Collegiate or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. Where staff confiscate a mobile phone that has been used in breach of Collegiate Rules to disrupt teaching, the phone will be kept safely until the end of the school day when it can be claimed by its owner, unless the Principal considers it necessary to retain the device for evidence in disciplinary proceedings in accordance with 6.12 below. If a student persists in using a mobile phone in breach of Collegiate Rules, the phone will be confiscated and must be collected by a parent.
- 6.12 **Electronic devices:** if it is found that a mobile phone, laptop or tablet computer or any other electronic device has been used to cause harm, disrupt teaching or break Collegiate Rules, including carrying out cyberbullying, the device will be confiscated and may be used as evidence in disciplinary proceedings. Once the proceedings have been concluded the device must be collected by a parent or carer and the student may be prohibited from bringing such a device onto School premises or on educational visits. In serious cases, the device may be handed to the police for investigation.

7 Communication with parents

- 7.1 There is no legal requirement for the Collegiate to inform parents before a search for banned or prohibited items takes place or to seek their consent to search their child and it will not generally be practicable to do so. In appropriate cases we will inform parents on how the Collegiate will dispose of certain items.
- 7.2 We will keep a record of all searches carried out, whether the search is with or without the consent of the student, which can be inspected by the parents of the student(s) involved subject to any restrictions under the Data Protection Act 1998. The record will include details of any disposal of items confiscated.
- 7.3 Complaints about searching or confiscation will be dealt with through the Collegiate's Complaints Procedure. A copy of the procedure is available on request.

7.4 The Collegiate will take reasonable care of any items confiscated from students. However, unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the Collegiate does not accept responsibility for loss or damage to property.
